ST. PHILIP's MAINTENANCE

1. Maintenance group will meet Monday July 22 and August 5 - 6pm. There is work for all skill levels. We will be concentrating on getting the school and grounds ready for the first day of class.
2. Looking for someone to pull weeds and clean out trash from the parish center entrance flower beds. Also pull weeds growing between the building and sidewalk. There is a lot of traffic on Monday nights going into the building during maintenance time and also the sun is beating down on that area in the evening. If someone

has time in the morning or a cloudy evening to do this it would be most helpful to the maintenance group. Service hours will be given to students needing them.
